## Overview

**Job hunting can feel endless. The scrolling, the applications, the silence. Days start to blur, motivation drops, and it's easy to feel like everyone else is moving forward while you're stuck in place.**

But you're not alone. And you don't need to figure everything out by yourself.

**Our LaunchPad Community** is a new, free space for 18–25 year olds who aren't currently in work or study. It's designed to help you rebuild confidence, routine, and friendships while you decide your next steps at your own pace.

Each Monday in Wandsworth, you'll join a group of young adults in the same boat as you. Together, you'll take small, supported steps forward through co-working sessions, fun activities, and one-to-one help with your job search.

**And if you complete the 8 weeks with us, you'll receive £100 in vouchers as a thank-you for taking part.**
